

OPENING UP SHOP AT SFO

Opportunities For Small Businesses

In partnership with the **San Francisco Public Library Small Business Center** and **City College of San Francisco**, **San Francisco International Airport (SFO)** is hosting a workshop on how small businesses can pursue concession opportunities at SFO. Representatives from SFO will provide an overview of the airport's leasing process, highlight upcoming contracting opportunities, and discuss programs designed to support small businesses.

Whether you're exploring airport concessions for the first time or considering expansion, this session will help you understand what it takes to open and operate a business at SFO.
